SCOPE

This Privacy Statement is intended to provide users of this website with information about the nature, scope and purpose of the collection and use of personal data by the website operator, *Gwendolyn de Vries*, in accordance with the Federal Data Protection Act (BDSG) and Telemedia Act (TMG).

The website operator takes data privacy very seriously and handles your personal data in a confidential manner and in accordance with the legal provisions. Please be aware that the transfer of data over the Internet is always vulnerable to breaches in security. Complete protection against access by third parties cannot be guaranteed.

HANDLING OF CONTACT DETAILS

You make contact with the website operator of your own free will. If you make contact with the website operator using the contact options provided, your details may be stored so that they can be accessed for the purpose of processing and answering your inquiry. This data will not be passed on to third parties without your consent.

SOCIAL PLUGINS

The social plugin of the provider specified below is used on this website. You can identify the plugin by its logo.

In certain cases, data, including personal data, may be sent via this plugin to the service provider and may then be used by the service provider. If you click on this plugin, information will also be collected and transferred to the service provider. The website operator herself does not collect any information using the plugin or any information about its use.

The website operator has no influence on which data is collected by an enabled plugin or how this data is used by the provider. At present, it must be assumed that a direct connection to the services of the provider is established and that at least the IP address and device-related information is collected and used. It is also possible that the service provider will try to save cookies on the device used. Please refer to the data privacy policy of the relevant service provider to see which specific data is collected for this purpose and how it is used.

Please note: If you are logged in to Facebook at the same time, Facebook can identify you as a visitor to a certain page.
